Florence Blacksmith
Recreation Director
Cross Lake Community Council
Cross Lake, MB ROB OJO

Dear Florence:

Cross Lake Community Council - 15th Annual Family Campout

Pimicikamak is pleased to contribute to it's citizens hosting the 15th Annual Family Campout.

The level of support will be consistent with the attached cost estimate and will be capped at \$4,200. Contributions will be paid directly to your suppliers of choice upon receipt of the quotations.

Please follow up with Rhonda Halcrow at the Pimicikamak Okimawin Administration Office and she will assist with the administration of this support.

Ekosi,

David Leroy Muswaggon
Executive Council Member Responsible for Lands, Natural Resources and NFA

Cc: Mayor and Council
CLBOI / Ryan Castel

To whom it may concern,

This year is our 15th Family Campout, We are asking your organization for a donation. We host our annual Family Campout for the whole community of Cross Lake. We get about 400 campers every year and we find that our expenses get higher & higher each year. We put on entertainment every night and try to support our local talent as we give an honorarium. We are asking your organization to donate to this cultural wellness & recreation fun filled week. I also have an activity night for the youth ages 9-12 both boys & girls at 6:00 PM to 8:30 PM at the community hall two evenings per-week. The youth participate in all the events that are organized for them. These youth develop, how to share, how to assist each other, how to be respectful, how to listen, how to learn and how to be a good team member. The youth at activity night do not really belong to any team sport, ex, hockey, fastball, etc. We have lots of fun, we do things together and I give them praise for their achievements. This year I plan to teach them arts & crafts and in some activities I will require outside resources. (I also pay an honorarium of \$60/per night x2= \$120.00) To the 2 youth that help me with the activity night. I hope to display some of the arts & crafts work at our Annual Family Campout.

The estimated costs for the activities and this program will be about: \$4000.00

Proposal

Arts & Crafts

1. Hide (Assorted colors)
2. Beads (Assorted colors)
3. Thread (Assorted colors)
4. Scissors (Assorted types) plus thimbles different sizes.
